

Nutritional Product Developers!

**Here's a Flavor System
for Functional Ingredients!**

Taste preference and stability are a must when launching new products containing functional food ingredients.

OGAWA's Functional Ingredient Database provides suitable flavor systems for functional foods and beverages.

Login FREE

OGAWA Functional Ingredient Database

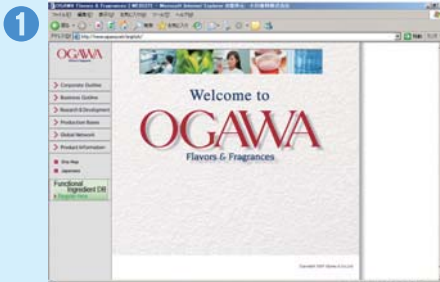

Contains basic information about functional ingredients
(Health benefits, physical property, etc.)

Contains off-flavor information
(initial, after heat stress, after light exposure)

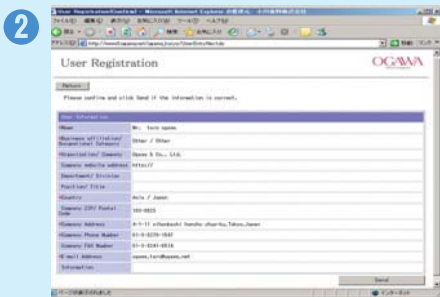

Contains off-flavor solutions & flavor advice

Functional Ingredient Database

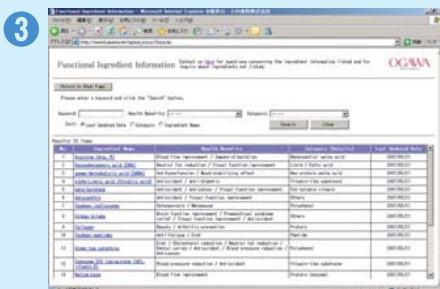

How to Utilize the OGAWA Functional Ingredient Database

- 1) Enter the database site from the OGAWA company homepage. (Figure 1 <http://www.ogawa.net/english/>)
- 2) Confirm the terms of use. If you agree to the terms, please click "Yes."
- 3) The registration form will open. For security reasons, an ID and password will be issued to every user. Please fill in the necessary information.

- 4) After clicking "Confirm Entry," the screen shown in Figure 2 will open. Please confirm the information shown.
- 5) If the information is correct, please click "Send." An ID and password will be sent through e-mail. (Please allow at most 10 days for confirmation)

- 6) After the ID and password arrives, enter the database site through the homepage address shown on the e-mail.
- 7) (http://www3.ogawa.net/ogawa_koryo/english/rules.html) Confirm the terms of use, enter ID and password, and the screen shown in Figure 3 will be available for use.
